

AEE October Event (Luncheon)

Register today:

Chatham University - Sustainable Systems Tour

October 21, 2019 11:30AM to 3:00PM

Chatham University - Esther Barrazone Center

6035 Ridge Road

Gibsonia, PA 15044

Members \$25.00 - Non Members \$35.00—Students \$15.00

Presenter - Lou Ann Caliguri - Executive Director and Dean of the Eden Hall Campus

Attendees will arrive at the Chatham Campus on Ridge Road and use Main Parking Lot (Sign says PARKING)

AEE Meeting is at the Esther Barrazone Center

- Lunch will be in the Sustainable Café on the First Floor
- The Presentation Meeting will be in the Sustainable Lounge in the Basement

Lou Ann will provide a history and background of the campus from its inception through the current Sustainable Campus. The Eden Hall campus is the first fully sustainable university campus built in America from the ground up!

John Cunningham is Facility Engineer at Eden Hall and will provide a technical tour of the facilities with a focus on:

- Solar Field
- Geothermal system
- Water management
